# NYCC 2026 High Risk Activities

- All high-risk activities not prohibited by other sections of Center and show management regulations require approval of Center management at least 30 days in advance.
- Such activities include but are not limited to:
    - Motorized sporting events
    - Acrobatic stunts
    - Mechanical amusement devices
    - Audience participation in athletic activities
- Please refer to the Javits Center Operational Policies for full venue requirements.
